Player and Family Financial Commitment and Obligation (excerpt from AYSF Financial Policy Section 1.4.2)

Acceptance into Club Program assumes a substantial commitment of resources, both financially and in the amount of time to participate. Selection to participate in a Program is based on limited availability, and acceptance necessarily eliminates the opportunity for another player. The expectation is that upon accepting a position and completing registration, a player and their family agree to fulfill all financial commitments for that position for the entire seasonal year (normally August 1 – June 30).

Except in very rare circumstances, a decision to leave the Club at any time during the seasonal year results in forfeiture of fees paid, invoices will be created for outstanding debts (to include future travel within the seasonal year), and the player will not be released during the seasonal year.

By signing below, I fully understand my financial commitment and obligation for the duration of the seasonal year.
